It was noted that several people have complained about the city having to impose restrictions on water use while in Rancho Mirage, Disney is building a water-themed development of 500+ houses. A rep from the Desert Water Agency's response is that the water agency has no jurisdiction in the matter and referred questions to the local authorities in Rancho Mirage.

Social, Annual Parties: Steve Bryan

The April 9 party was a huge success. There were 212 RSVP'S and at least 166 people showed up. Check-in was easy and fast and all seemed to have a good time. We have set November 12, 2022 as the date for the Fall party and we are looking for a house

Modernism: Thomas Sims, Mark Gold:

Modernism week was also a huge success.

See attached.

ICNO's home tour was extremely well-received including the "secret shopper" sent around by the Modernism Week Committee to see how things were going. There are already 6 or 7 houses lined up for next year and we will apply lessons learned from this year. The Home-Owner/Docent party was also a big success but we will make a greater effort to make sure all board members attend and schedule the party as soon as the modernism dates are set so people can plan ahead.

We are pushing for the Modernism Week opening Party to be held at the North Course Clubhouse again next year and are investigating the possibility of Steve Treinen, who is working on a monograph about the homes in Indian Canyons, giving a talk either during Modernism Week or at the clubhouse.

Communication/Web Site: Jack Johnson

Jack, Doug and George met with a new web designer and were very impressed. She proposal is \$2800 to get the website in proper working order and a full year of updates and maintenance. The Board voted unanimously to accept. George and Jack will meet with her to implement.

We have also agreed to send out more post-card announcements such as the one for the Spring Party in an effort to reach residents who are not yet members. We are creating a welcome packet for new residents that will include a welcome letter, a brief history of the neighborhood, membership forms, and information about the Affiliate Program.

Announcements/Communications: Michael Alcenius,

Michael is working hard on the next newsletter which should be ready by the end of this coming week. We are forwarding photos from the home tour and the owner/docent party to be included. Mike proposed doing bios of the board members and including news articles about ICNO members like the profile of Jackie and DeeAnn in Palm Springs Life. Chuck Steinman who is responsible for the wonderful Modernism Week Home Tour brochures has also agreed to help.

Safety: Jerry Nies, DeeAnn McCoy

Jerry and DeeAnn are working on a safety seminar for the Fall that will be focused on how to protect your home against fire. Date to be announced.

Development, Landscaping: Mark Gold, Carolyn Lumber

Carolyn and Mark have met with Jason, the head groundskeeper, and all is full speed ahead with relandscaping the golf entrance on Camino Real and adding boulders to the parkway on LaVerne.

Golf Club Affiliates: Bruce Moccia/ Carolyn Lumber

Bruce and Carolyn will meet with Phil Woodrum to discuss how the Affiliate Program did this year and what we should do going forward. We would like to have more events and the re-instatement of the happy hours. Staffing has been difficult this year, but hopefully next year it will improve. The club is planning to drill a well this summer. It was supposed to happen last summer, but Covid-related problems got in the way. We would also like to have a Meet the Board happy hour next season.

Confirmed 2022 Meeting dates.

May 14, June 18, Aug 13, Sept 17, Oct 15, Nov 12, Dec 17
